

Affordable Housing Summit

Access to safe, stable, and affordable housing is needed now more than ever. Did you know that in Delaware, 1 in 8 households spend more than half of their income on housing? Lower-income households are especially likely to have unaffordable housing costs, requiring more than 30% of their income.

Join us and our esteemed speakers as we discuss solutions to the affordable housing crisis because everyone deserves a decent place to live.

Annual Golf Outing

Join us for our 25th Annual Golf Outing in partnership with IFMA at Hartefeld National on September 14, 2023! This is one of our most significant fundraising events of the year--a day full of fun, food, and golf. There is still room for individual golfers, foursomes, and sponsorship opportunities. All donations go towards our vision of a world where everyone has a decent place to live.

Almost Home Pilot

Almost Home is a rent-to-own pilot that provides an additional path to homeownership. Applicants who did not qualify for the homeownership program may be considered for rent-to-own once they can resolve their financial circumstances and be able to pay for an affordable mortgage. With the support of the Almost Home Case manager, they will work to resolve any of their financial issues and work towards reaching their goal of homeownership.
