Welcome Home, Monteia & Melissa!

We recently held two Home Dedication ceremonies for our newest homeowners - Monteia & Melissa! Monteia and her daughter are moving into a new 3-bedroom, 1.5-bathroom home that we built in Simonds Gardens located in New Castle. Melissa and her two daughters are moving into a 3-bedroom, 1-bathroom home located in the Southbridge neighborhood of Wilmington which was built with the flood-plane in mind. Welcome home, Monteia & Melissa!

Thank you, Patterson-Schwartz!

Dave Iliff, a dedicated volunteer, and real estate agent at Patterson-Schwartz, along with his team, generously assembled Thanksgiving baskets for participants in our Affordable Homeownership Program. This thoughtful gesture provided these families with extra food for the holiday season. A heartfelt thank you to Dave and everyone at Patterson-Schwartz for their kindness and support.

We're looking for Occupational Therapists

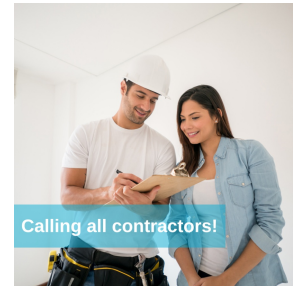

Sussex County Habitat for Humanity (SCHFH), in partnership with Habitat for Humanity of New Castle County (HFHNCC) and Central Delaware Habitat for Humanity (CDHFH), seek proposals from Licensed Occupational Therapists (OT) to provide state-wide in-home services as part of a U.S. Department of Housing and Urban Development (HUD) Older Adults Home Modification Program (OAHMP).

Contractors: we want to speak with you.

We need subcontractors to assist with our Critical Home Repair Program! If you or someone you know is a licensed and insured subcontractor specializing in HVAC, roofing, carpentry, electrical, mold remediation, plumbing, extermination, and more, we'd love to speak with you! Reach out to repairs@habitatncc.org to learn more.

ReStore Updates

Dennis Martin, our longtime Middletown Store Manager, is now leading the Donation Procurement process for both ReStores. In this role, Dennis works with businesses to increase the volume of donations at our ReStores, and keep up with our growing sales. If you or someone you know has office furniture and/or equipment that are in good condition and meet our guidelines, contact Dennis at dmartin@habitatncc.org or call him directly at 302-593-9719. Congratulations Dennis!

We just received a shipment of new 12"x12" peel-n-stick vinyl floor tiles. They are easy to install and are great for other projects like closets, backsplashes, cabinet liners and much more. With a variety of colors/patterns simulating wood, tile, and stone, we probably have something for your style. And at only \$1.00 per square foot, they're a great deal! Stop in to either store and check them out.

Thank you to all Habitat ReStore volunteers!

We could not do what we do without you.

Prices Corner ReStore hours: Tuesday - Saturday 10 am - 5 pm
Middletown ReStore hours - Wednesday - Saturday 10 am - 5 pm
