This year's theme - What Does Habitat Mean to You? The Annual Breakfast is one of our signature fundraising and storytelling events that focuses on the impact Habitat has on the families we serve in New Castle County. You can expect to hear firsthand stories from local Habitat families, and this year a special message from Senator Chris Coons.

Rock the Block Northeast Wilmington

On Saturday, May 6th volunteers and Habitat staff participated in cleaning up the Northeast community. Our goal was to beautify the area of Vanderver Ave. From picking up trash to clearing out an overgrown lot we

are dedicated to helping make the Northeast community a better place for everyone who lives there.

Almost Home Press Conference

Thank you to everyone who attended our Almost Home Press Conference. Almost Home is one of our new programs to help more low-income individuals become homeowners. Made possible by funding from New Castle County and JPMorgan Chase, Almost Home creatively addresses New Castle County's affordable housing crisis. Stubbs Early Education Center's Garden Project

Habitat's Neighborhood Revitalization team partnered with Wells Fargo, Mt. Cuba Center, Delmarva Power, Chase Bank, and UD Master Gardeners to transform the Stubbs Early Education Center landscape by planting a pollinator garden. The Center's children helped volunteers with planting, watering, and placing planters in the garden.

Volunteer Appreciation Breakfast

Habitat for Humanity would not be where we are today without the dedication of our volunteers. On May 1st we held a special Appreciation Breakfast at Delaware Park to honor our volunteers for all their hard work on our construction sites and at both ReStore locations. We are truly thankful for all they do!
